

## THE VIEW ON THE HUDSON HORSES, HATS & HOPE

Join us for An Unforgettable Evening of Grace, Glamour, and Giving Back on Friday May 10, 2024 at The View on the Hudson.

Saddle up in your derby best and help support clinical and research programs that provide state of the art, quality care for children and adolescents with cancer and blood diseases. Enjoy the views of the Hudson River, complete with open bar serving up your favorite drinks and signature cocktails, pick on appetizers, and dance. Hear from our guest speakers as the culinary team at the View on the Hudson cultivates a grand buffet dinner that is not to be missed. Funding and driving children's cancer research forward are an integral part of what we do. The evening's scheduled raffles and events will provide opportunities to give back and win some amazing items. Inspire kindness and pay it forward.

TOGETHER WE CAN MAKE A DIFFERENCE!
