

MASQUERADE BALL: UNMASKING HOPE

Join us for An Evening Where Elegance Meets Impact
on Friday May 1, 2026 at The View on the Hudson.

Step into a night of mystery, elegance, and purpose benefiting Children's Cancer Fund. Beneath the glow of candlelight and behind beautifully adorned masks, guests will gather for an unforgettable evening of fine dining, inspiring stories, and heartfelt connection—all in support of children bravely battling cancer and the families who stand beside them.

This special evening will also honor Dr. Oya Tugal for her extraordinary dedication, compassion, and commitment to advancing care for children facing cancer and blood diseases, for over 40 years. Together, through every ticket purchased, sponsorship secured, and paddle raised, we will provide critical resources, comfort, and hope. Join us as we unmask the power of community and celebrate a night where elegance truly meets impact.

TOGETHER WE CAN MAKE A DIFFERENCE!
